Re: Request for Expedited Consideration of
Application for Classification as a 501(c)(3) Organization

Ladies and Gentlemen.

This letter accompanies the Form 1023 submitted on behalf of Remember the Triangle Fire Coalition, Inc. ("RTTFC") for classification as a 501(c)(3) public charity.

We respectfully request expedited consideration.

As described in our application, RTTFC is currently conducting a design competition for the construction and erection of an artwork at the site of the Triangle Fire in New York City in 1911.

The costs of this memorial artwork will be the largest expense in the foreseeable future of the organization, and it would be greatly advantageous for donors to this effort to be entitled to a tax deduction consistent with the Internal Revenue Code.

We thank you for your consideration of this request. Please feel free to contact us with any questions.

Sincerely,

Joel Sosinsky

Have there been any substantial changes in your assets or liabilities since the end of the period shown above? If “Yes,” explain. ☐ Yes ☐ No

### Part X  Public Charity Status

Part X is designed to classify you as an organization that is either a **private foundation** or a **public charity**. Public charity status is a more favorable tax status than private foundation status. If you are a private foundation, Part X is designed to further determine whether you are a **private operating foundation**. (See instructions.)

1a. Are you a private foundation? If “Yes,” go to line 1b. If “No,” go to line 5 and proceed as instructed. ☐ Yes ☒ No

b. As a private foundation, section 508(e) requires special provisions in your organizing document in addition to those that apply to all organizations described in section 501(c)(3). Check the box to confirm that your organizing document meets this requirement, whether by express provision or by reliance on operation of state law. Attach a statement that describes specifically where your organizing document meets this requirement, such as a reference to a particular article or section in your organizing document or by operation of state law. See the instructions, including Appendix B, for information about the special provisions that need to be contained in your organizing document. Go to line 2.

2. Are you a private operating foundation? To be a private operating foundation you must engage directly in the active conduct of charitable, religious, educational, and similar activities, as opposed to indirectly carrying out these activities by providing grants to individuals or other organizations. If “Yes,” go to line 3. If “No,” go to the signature section of Part XI. ☑ Yes ☐ No

3. Have you existed for one or more years? If “Yes,” attach financial information showing that you are a private operating foundation; go to the signature section of Part XI. If “No,” continue to line 4. ☐ Yes ☐ No

4. Have you attached either (1) an affidavit or opinion of counsel, (including a written affidavit or opinion from a certified public accountant or accounting firm with expertise regarding this tax law matter), that sets forth facts concerning your operations and support to demonstrate that you are likely to satisfy the requirements to be classified as a private operating foundation; or (2) a statement describing your proposed operations as a private operating foundation? ☐ Yes ☐ No

5. If you answered “No” to line 1a, indicate the type of public charity status you are requesting by checking one of the choices below. You may check only one box.

a. 509(a)(1) and 170(b)(1)(A)(i)—a church or a convention or association of churches. Complete and attach Schedule A. ☐
b. 509(a)(1) and 170(b)(1)(A)(ii)—a school. Complete and attach Schedule B. ☐
c. 509(a)(1) and 170(b)(1)(A)(iii)—a hospital, a cooperative hospital service organization, or a medical research organization operated in conjunction with a hospital. Complete and attach Schedule C. ☐
d. 509(a)(3)—an organization supporting either one or more organizations described in line 5a through c, f, g, or h or a publicly supported section 501(c)(4), (5), or (6) organization. Complete and attach Schedule D. ☐

Form 1023 (Rev. 6-2006)
Part X Public Charity Status (Continued)

e 509(a)(4)—an organization organized and operated exclusively for testing for public safety.

f 509(a)(1) and 170(b)(1)(A)(iv)—an organization operated for the benefit of a college or university that is owned or operated by a governmental unit.

g 509(a)(1) and 170(b)(1)(A)(vi)—an organization that receives a substantial part of its financial support in the form of contributions from publicly supported organizations, from a governmental unit, or from the general public.

h 509(a)(2)—an organization that normally receives not more than one-third of its financial support from gross investment income and receives more than one-third of its financial support from contributions, membership fees, and gross receipts from activities related to its exempt functions (subject to certain exceptions).

i A publicly supported organization, but unsure if it is described in 5g or 5h. The organization would like the IRS to decide the correct status.

6 If you checked box g, h, or i in question 5 above, you must request either an advance or a definitive ruling by selecting one of the boxes below. Refer to the instructions to determine which type of ruling you are eligible to receive.

a Request for Advance Ruling: By checking this box and signing the consent, pursuant to section 6501(c)(4) of the Code you request an advance ruling and agree to extend the statute of limitations on the assessment of excise tax under section 4940 of the Code. The tax will apply only if you do not establish public support status at the end of the 5-year advance ruling period. The assessment period will be extended for the 5 advance ruling years to 5 years, 4 months, and 15 days beyond the end of the first year. You have the right to refuse or limit the extension to a mutually agreed-upon period of time or issue(s). Publication 1035, Extending the Tax Assessment Period, provides a more detailed explanation of your rights and the consequences of the choices you make. You may obtain Publication 1035 free of charge from the IRS web site at www.irs.gov or by calling toll-free 1-800-829-3676. Signing this consent will not deprive you of any appeal rights to which you would otherwise be entitled. If you decide not to extend the statute of limitations, you are not eligible for an advance ruling.

Part IV – Narrative Description of Your Activities

On March 25, 1911, a fire broke out on the 8th and 9th floors of the Triangle Shirtwaist Company, in the Brown Building one block east of Washington Square Park in Greenwich Village in Manhattan. Over 500 workers, mostly women and most recent immigrants to this country, were at work making shirts. As they tried to escape, many found their path blocked by a locked exit door, and others died when the exterior fire escape collapsed. Fire department ladders reached only to the 6th floor and could not help. In the end, over 146 people died, many leaping to their deaths from the 9th floor windows.

Remember the Triangle Fire Coalition, Inc. (“RTTFC”) was formed in order to:

(a) commemorate the Triangle Fire, in New York and elsewhere, annually on March 25 and at other times appropriate to the themes of workers’ rights and fire safety; and

(b) provide education about the history and current state of worker safety in this country and around the world, through public meetings, speeches, social media, exhibitions and dramatic performances, in order to lessen the possibility of unsafe conditions in the workplace wherever work is being performed.

In the year leading up to organization of RTTFC, individuals who later organized RTTFC collaborated to organize a memorial on the 100th anniversary of the Triangle Fire on the days leading up to and including March 25, 2011, including outdoor gatherings, at the site of the fire and a program of speeches, dramatic presentations and music at Cooper Union in New York City.

Since RTTFC’s founding, it has sponsored numerous speeches, exhibitions, dramatic readings and public demonstrations commemorating the fire, honoring those who died and pleading the cause of safety in the workplace and respect for the lives and well-being of all humans, whether American citizens, legal or illegal immigrants.

The current major activity of RTTFC is the erection of an artwork to serve as a memorial to the victims of the Triangle Fire on the Brown Building, which is currently owned by New York University. With NYU’s cooperation, RTTFC is sponsoring a design competition for the artwork, and as of the date of submission of this Form 1023, RTTFC has selected the competition finalists and is seeking funds for the cost of the competition and construction and erection of the artwork.
IRS FORM 1023 -- ADDENDUM
Remember the Triangle Fire Coalition, Inc.

The organization’s planned activities include continued workshops, speeches, dramatic performances and exhibitions in a variety of public places, including schools, colleges and universities, and the streets of New York and other cities in the United States.

A calendar of events sponsored by or in which RTTFC participates is on its website at http://rememberthetrianglefire.org/events.

5(a) Conflict of Interest Policy

Remember the Triangle Fire Coalition, Inc.

Conflict of Interest Policy

Article I

Purpose

The purpose of the conflict of interest policy is to protect this tax-exempt organization’s interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of the Organization or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

Article II

Definitions

1. Interested Person

Any director, principal officer, or member of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.

2. Financial Interest

A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:

a. An ownership or investment interest in any entity with which the Organization has a transaction or arrangement,

b. A compensation arrangement with the Organization or with any entity or individual with which the Organization has a transaction or arrangement, or

c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Organization is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.
IRS FORM 1023 -- ADDENDUM
Remember the Triangle Fire Coalition, Inc.

A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

Article III

Procedures

1. Duty to Disclose

In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the directors and members of committees with governing board-delegated powers considering the proposed transaction or arrangement.

2. Determining Whether a Conflict of Interest Exists

After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

3. Procedures for Addressing the Conflict of Interest

   a. An interested person may make a presentation at the governing board or committee meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.

   b. The chairperson of the governing board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.

   c. After exercising due diligence, the governing board or committee shall determine whether the Organization can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

   d. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the Organization's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

4. Violations of the Conflicts of Interest Policy
a. If the governing board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.

b. If, after hearing the member’s response and after making further investigation as warranted by the circumstances, the governing board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

**Article IV**
